Enormous home in a prime location offering space, flexibility, and a highly functional floor plan. The main level features a light and open great room design with a spacious eating area, formal dining room, and a kitchen appointed with granite countertops, a large island, pantry, and excellent storage. Upstairs includes a generous primary suite with a 5-piece bath, plus 3 bedrooms and a bonus room—ideal for today's lifestyle needs. The lower level provides exceptional multi-generational potential with a family room, full bath, bedroom, and private exterior entrance. Already plumbed for water and electricity, this level is perfectly suited for future accessory living quarters, a movie theater, or a dedicated home office. Additional highlights include air conditioning, a garage with overhead storage, and newer deck and patio in the low-maintenance yard. Located minutes from Alderwood Mall's shopping and dining, with quick access to I-5 and 405 for easy commuting.
